Organisation Name

Please provide the Applicant Organisation Name exactly as it appears above.

Regional Division *

Choose a division

Area *

Choose divisional area

Local Government Area (LGA) *

Health Service / Agency Type *

- Bush Nursing Centre
- Bush Nursing Hospital
- Incorporated Public Residential Aged Care Service
- Local Health Service
- Mental Health and Alcohol & Other Drugs
- Multipurpose Services
- Publicly Funded Community Specialist Palliative Care Services
- Regional Hospital
- Registered Community Health Service
- Small Rural Health Service
- Sub-regional Hospital

Is this property: *

- Owner Occupied
- Leased from Department of Health
- Leased from Other

Were you funded for Stream 2 (planning) in RHIF 2022-23, 2023-24 or 2024-25 for this project? *

- Yes
- No

Stream 2 funded project

Are you ready to submit a Stream 1 application under RHIF 25-26? *

- Yes
- No

Is this project still a priority for you? *

- Yes
- No

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

Why is this project not a priority any more? *

Please describe the change in circumstances that lead to the project no longer being a priority.

What progress have you made so far? *

Please provide a simple, bullet point-style description of all the work that has been completed.

Project Details

* indicates a required field

Details of submission

Project / Proposal Title *

Must be no more than 10 words.

Your title should be short but descriptive. Each proposal requires separate application form. If you are an existing Stream 2 reapplying, use the same project title here (excluding "Planning for").

Basic description of project (maximum 50 words) *

Word count:

Must be no more than 50 words.

Succinct description to characterise the nature of the project. Examples: "Replace CT scanner to reduce waitlist times and enhance service delivery" // "Construct a new Community Health Centre to deliver primary care services, including GP, dental, physio, OT, and other Allied Health and Clinical services" // "Renovate reception and waiting area, and install swipe entry doors to improve safety and amenity for patients and staff" // "Upgrade of essential facilities and equipment including nurse call system, fire detection system, ICT server, floor coverings, patient beds, theatre suction system, and washer disinfectant."

Application Priority *

- Priority 1
- Priority 2
- Existing Stream 2

Maximum of two applications per Health Service for RHIF 2025-26. Where Health Services have been amalgamated, the amalgamated Health Service may seek VHBA approval (via email to rhif-applications.vhba@vida.vic.gov.au) to submit more applications (in such case, the application priority should be included in the answer to the Expected Benefits question).

Has this proposal been submitted in previous grant rounds or other grant programs? *

- Yes
- No

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

Please identify which funding round and year and whether successful. *

Does this proposal have interdependencies with other current or planned projects? *

- Yes
 No

For instance, if this project requires other stages or infrastructure connections before this project can commence etc.

Please detail the nature of the dependency *

Word count:

Must be no more than 100 words.

Explain where relevant the sequence of works proposed, and critical milestones and time constraints if any.

Key deliverables of project *

Word count:

Must be no more than 250 words.

Please provide a simple, bullet point-style description of the deliverables from the project (eg. Two new consulting rooms including fixtures and fittings). Scoping statements must be supplied. For construction projects, this must include floor areas, greenfield / refurbishment, number of storeys, services requirements, standard of fitout, finishes, FF&E etc. For purchases and specialist procurement, equipment types, models, quantities, etc are to be included. These must match the cost plan under the 'Financial Details' section of this application form.

Expected Benefits from Project *

Word count:

Must be no more than 250 words.

Please describe the current state and the future state that will be achieved as a result of delivering this project (against business case benefits):- Improved patient experience & quality of care (eg. Improved access to care, Reduced incidence of patient harm, Increased patient satisfaction) Increased system efficiency (eg. Increased system throughput, Reduction in reactive maintenance expenditure) Improved workforce experience and safety (eg. Increased workforce satisfaction,

Project Category

Project Category:

RHIF 2025-26 applications will be categorised into one of the following:

1. **Regulatory and Compliance**
2. **Quality and Safety**
3. **Respond to Growing Demand / Capability**

Below are a few examples of projects that fall under these categories:

Regulatory and Compliance

- AS4187 / AS5369
- Building Regulation Compliance
- Fire Safety

Quality and Safety

- Non-medical items
- End of life Medical / Engineering assets
- Ceiling tracking and hoists
- Staff / Patient / Resident Safety (Security and duress systems, nurse call)
- Clinical Safety (Infection prevention and Control)

Respond to Growing Demand / Capability

- Building upgrades, redevelopment and expansions works such as new treatment rooms, consulting rooms, wards etc
- Construction, reconfigurations and refurbishments.

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

- Civil and infrastructure works (incl gas, water, sewer, Communications)
- Electrical distribution systems

Which project category does this application relate to? *

- Regulatory and Compliance
- Quality and Safety
- Respond to Growing Demand / Capability

Project Type *

- New Construction
- Refurbishment
- Client Meal Preparation
- DDA & Universal Access Works
- Design Development
- Engineering Infrastructure Works (eg engineering plant & equipment, electrical work, generators, Heating Ventilation and Air Conditioning)
- Equipment (Medical)
- Fire safety
- Healthcare Worker Safety
- Infection Prevention and Control
- Motor vehicle
- Security
- Information and communications technology (ICT)
- Other:

Please refer to Regional Health Infrastructure Fund page

*The 'Motor vehicles' project type is only applicable for **Bush Nursing Centres**. Other services are ineligible to request funding for motor vehicles.*

What does this Information Communication Technology project relate to?

- Nurse Call
- Duress Alarms
- Security
- WiFi Upgrade
- Software
- Hardware
- Other:

Minimum sustainability requirements

Click [here](#) to download the Sustainability Checklist from Regional Health Infrastructure Fund page (under the downloads section).

Please complete and upload the Sustainability Checklist for Grants. *

Attach a file:

Enhanced sustainability initiatives

For construction and refurbishment projects over \$5m, it is mandatory to include 2.5% budget of the total construction cost for enhanced sustainability initiatives.

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

For construction and refurbishment projects under \$5m, a budget allocation of up to 2.5% of the total construction cost will be considered to support enhanced sustainability initiatives where the application demonstrates the benefit of the additional investment.

For examples of enhanced sustainability initiatives, please refer to the RHIF Guidelines and FAQs [here](#).

Outline any enhanced sustainability features that the project is including. *

- | | |
|--|---|
| <input type="checkbox"/> Climate adaptation and resilience | <input type="checkbox"/> Transport |
| <input type="checkbox"/> Energy | <input type="checkbox"/> Water management |
| <input type="checkbox"/> Transition to electric | <input type="checkbox"/> No enhanced sustainability initiatives included in this project. |
| <input type="checkbox"/> Indoor environment quality | <input type="checkbox"/> Other: <input type="text"/> |

Provide further detail on the enhanced sustainability initiatives that go beyond the minimum requirements *

Word count:

Must be no more than 250 words.

Provide level of additional investment sought for enhanced sustainability initiatives as outlined above. *

\$

Must be a dollar amount.

With which Regulation / Standard / Guideline / Royal Commission Recommendation are you seeking to comply? *

Describe the current gap against the compliance with the Regulation / Standard / Guideline / Royal Commission Recommendation *

How long have you been non-compliant and what has the impact been? Does the project ensure you will be fully compliant, and what evidence will you provide to demonstrate compliance upon completion of this project?

Project Readiness

VHBA can only consider funding for Ready for Implementation projects (Stream 1) and at this stage will not be assessing projects requiring funding for Planning or Design Development (Stream 2).

Have you received HSIC (Health Service Interface Collaboration - Department of Health) support for this Project? *

- Yes
 No

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

Contact your HSIC (Health Service Interface Collaboration - Department of Health) representative to discuss this project and obtain their support.

Please attach email in the Supporting Documentation section below.

Provide the contact details of relevant HSIC (Health Service Interface Collaboration - Department of Health) representative. *

Stream 1 - Ready for Implementation - projects ready to be considered for full funding

- - All designs and specifications complete and approved, detailed design accompanied by Cost Plan, Regulatory Approvals in place, ready to invite market tenders for construction / delivery quotations

Stream 2 Projects in progress - Projects funded for planning in RHIF 2022-23, 2023-24 or 2024-25 applying for Stream 1 funding.

Nominate whether you are seeking funding in Stream 1 or 2 *

- Stream 1
 Stream 2 project in progress

Refer to the RHIF 25-26 Guidelines.

What stage is this project at? *

- Preliminary / Sketch Design / Cost Plan not complete
 Schematic Design Documentation and Cost Plan
 Detailed Design / Cost Plan Complete
 Ready for Tender

If selecting "Other", please specify the stage this project is at.

Please refer to the RHIF Guidelines and FAQs [here](#) for details of supporting documentation requirements.

VHBA expect the following documents to be submitted. Please confirm these are attached. - validate against guidelines *

- Project management plan (PMP) for construction projects
 Detailed Design Drawings
 Technical Specifications
 Supporting Consultant Reports
 Independent Cost Plan from a quantity surveyor
 Builders Quotation / Supplier Quotation
 List of Specialist Medical Equipment
 Tender Documents
 Other:

If selecting "Other", please specify the documentation submitted.

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

Stream 2 Additional Details

As there is no further funding available in RHIF post 2025-26, VHBA will not be accepting projects requiring funding for Planning or Design Development (Stream 2) in RHIF 2025-26

What is required to complete Regulatory Planning or development approvals? *

Provide details of the Design work required from Architectural, health planner etc *

Provide details of the Technical work required from engineers, building services consultants etc *

What else is required for this project to advance to the next stage of readiness? *

Supporting documentation

Please attach documentation to support your proposal. Supporting documentation must include:

- Detailed Design Drawings.
- Project Management Plan (mandatory requirement for construction or refurbishment projects in excess of \$0.5 million)
- Quantity Surveyor Plan
- Builder Quotation / Supplier Quotation
- Schedule of specialist medical equipment (including cost estimates for individual items)
- Procurement framework plan for purchases
- Photographs of existing conditions and non compliance where appropriate
- Independent Review, Audit or Noncompliance Reports, if appropriate.
- Email confirming Regional HSIC (Health Service Interface Collaboration - Department of Health) support for the proposal.

Please refer to the RHIF Guidelines and FAQs [here](#).

Attach Supporting Documentation *

Attach a file:

Stream 2 funded from Previous years, but not ready to convert to Stream 1

* indicates a required field

Is the scope of work in line with the key deliverables approved as part of RHIF funding? *

- Yes
- No

Explain the scope changes and reason for scope variance *

What stage is this project currently at? *

- Schematic Design Documentation and Cost Plan
- Detailed Design Documentation and Cost Plan
- Contract Documentation / Tender Ready

What is the current status of this stage? *

- Not commenced
- In progress
- Complete

Please detail any identified issues or risks? *

Have any significant latent conditions been identified during this phase of design? *

- Yes
- No

Explain the latent conditions identified at this stage. *

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

Have any significant decant issues been identified during this phase of design? *

- Yes
- No

Detail the decant issues identified at this stage. *

Has it been identified during this phase of design that the proposed works will create operational issues including partial or complete closure of services? *

- Yes
- No

Explain the operational issues identified at this stage. *

Have any significant site wide engineering service issues been identified during this phase of design? *

- Yes
- No

Explain the site wide engineering service issues identified at this stage. *

Documentation Checklist for Schematic Design

Mandatory Documentation for schematic Design Completion:

- 1.Milestone 1 claim for the engagement of consultants including fee proposal and purchase order.
- 2.Architectural Schematic Design Documentation
- 3.Schematic Design Report from Principal Consultant
- 4.Quantity Surveyor Cost Plan C1
- 5.Agency schematic design endorsement statement or Project Control Group minutes of approval
- 6.Service Engineer preliminary report
- 7.Schedule of Accommodation Table

Additional documentation that will be accepted at this point:

- 1.Relevant Building Surveyor Preliminary Report
- 2.Town Planning Submission (if relevant)

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

3. Additional reports from specialist consultants i.e., acoustic engineer, DDA, fire engineer, traffic engineer, geo-tech reports, hazardous material reports, FRV reports, BAL reports, Clinical Health Planner reports

Documentation Checklist for Detailed Design

Mandatory Documentation for Detailed Design Completion:

1. Architectural Detailed Design Documentation
2. Detailed Design Report from Principal Consultant
3. Quantity Surveyor Cost Plan C2
4. Agency detailed design endorsement statement or Project Control Group minutes of approval
5. Service Engineer documentation
6. Relevant Building Surveyors preliminary report
7. Town Planning Submission (if relevant)
8. Furniture, Fitting & Equipment Registers (if relevant)

Additional documentation that will be accepted at this point:

1. Additional reports from specialist consultants i.e., acoustic engineer, DDA, fire engineer, traffic engineer, geo-tech reports, hazardous material reports, FRV reports, BAL reports, Clinical Health Planner reports

Documentation Checklist for Tender Documentation

Mandatory Documentation for Contract Documentation:

1. Architectural Detailed Design Documentation and material specifications
2. Quantity Surveyor Cost Plan D
3. Agency detailed design endorsement statement or Project Control Group minutes of approval
4. Service Engineer documentation and specifications
5. Relevant Building Surveyors sign off Contract documentation drawings
6. Town Planning Approval (if relevant)
7. Additional reports from specialist consultants i.e., acoustic engineer, DDA, fire engineer, traffic engineer, geo-tech reports, hazardous material reports, FRV reports, BAL reports, Clinical Health Planner reports

Additional documentation that will be accepted at this point:

1. Procurement Evaluation Plan
2. Probity Plan (for projects >\$10M)
3. Procurement Exemption Approval Forms

Have you completed all the above listed documentation? *

- Yes
 No

Regional Health Infrastructure Fund 2025-26 Application Form

If any of the above documentation is not ready, please explain why it is not. What is pending and why? *

Supporting documentation

Please attach documentation as listed above.

Attach Supporting Documentation *

Attach a file:

Please ensure that all files are clearly named so as to be easily identifiable. Individual file size cannot be more than 25 MB.

Cost Estimates and Financial Details

* indicates a required field

Project Costs

Please use the [Project Budget Summary](#) sheet to calculate your estimated Project Cost.

Total End Project Cost (excluding GST) *

\$

What is the total estimated cost of your project? This includes but not limited to building costs, consultant costs, Authority costs, FFE etc. If you are applying for Stream 2 funding, include the estimated total end project cost here (not the estimate for initial planning).

Total amount of RHIF funding requested (excluding GST) *

\$

Are you receiving funding from another source for this project? *

- Yes
 No

Please identify source(s) of additional funding *

Please specify amount of additional funding *

\$

Has the Total End Project Cost changed since the original RHIF submission? *

- Yes
 No

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

Explain where the cost variances are and the reason for the variance *

Have you provided an independent Quantity Surveyor's cost estimates for this proposal? *

- Yes - attached
- No

Please attach quotes and/or supporting documentation below. For construction / refurbishment projects > \$0.5m, an independent (of architects or planners) quantity surveyor cost estimate is required.

How has the project cost been estimated? *

Confirm that all installation, and associated infrastructure services and connection / upgrade costs are included? *

- Yes - attached
- No

Please attach quotes and/or supporting documentation below. For construction and refurbishments, include confirmation (preferably from consultant) that building services (power, water, Heating Ventilation Air Conditioning (HVAC) services, ICT) have sufficient capacity to cater for the new demand.

What other costs are expected and how will they be funded? *

Please confirm the below are considered in the cost estimates

Decant of patients, services or staff *

- Yes
- No

Provide details *

If yes, provide details of decant plan. If no, provide details of why it is not applicable.

Operational impacts / staging requirements *

- Yes
- No

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

Provide details *

If yes, provide details of staging plan. If no, provide details of why it is not applicable.

Requirements for temporary / rental facilities (e.g. temporary CSSD, temporary staff accommodation, staff amenities / facilities etc) *

- Yes
 No

Provide details *

If yes, provide details of planned arrangements. If no, provide details of why it is not applicable.

Hazardous materials *

- Yes
 No

Provide details *

If yes, provide details of the hazardous materials. If no, provide details of why it is not applicable.

Have you included a make good allowance *

- Yes
 No

Provide details. *

If yes, provide details of what is included.

Are you seeking funding for External Consultant / External Project Management cost in your Total Project Cost Estimate? *

- Yes
 No

If yes, what is the cost estimate that is included in your Total Project Cost Estimate? *

\$

Must be a dollar amount.

Provide details. *

Contingency

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

Please advise the total contingency amount included in your Total Project Cost Estimate *

\$

Please provide the amount of contingency allowance, and attach supporting documentation below. Ensure this is included in your overall project cost.

Please tick all the levels of contingencies included in your cost estimate *

- Design Contingency
- Construction contingency allowance
- Escalation allowance
- Other:

Design Contingency (%) *

Must be a number and between 0 and 100.

Please describe why you have included Design Contingency and how it will be managed *

Word count:

Must be no more than 100 words.

Construction contingency allowance (%) *

Must be a number and between 0 and 100.

Please describe why you have included Construction Contingency allowance and how it will be managed *

Word count:

Must be no more than 100 words.

Escalation allowance (% or \$ amount) *

Please use % after the number if you are providing a percentage and \$ before the number if you are providing the contingency amount.

Please describe the Escalation allowance, timeframe and how it will be managed *

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

Word count:

Must be no more than 100 words.

Please also specify the duration of the escalation allowance included.

Any other contingencies, risks or allowances *

Please use % after the number if you are providing a percentage and \$ before the number if you are providing the contingency amount.

Please describe why you have included these contingencies, risks or allowances and how they will be managed *

Word count:

Must be no more than 100 words.

Supporting documentation

Please attach independent quotes and/or Cost Plan, quantity surveyor reports, consultancy estimates, and any other documentation to support the financial information provided above. Refer to 'Submission Requirements' on the RHIF Guidelines [here](#).

Please attach evidence, quotes, and any supporting documentation *

Attach a file:

Please ensure that all files are clearly named so as to be easily identifiable. Individual file size cannot be more than 25 MB.

Project Schedule

* indicates a required field

Assuming an indicative funding announcement by 30 September 2026, please provide a project schedule, listing estimated dates for key milestones such as procurement, contact award, practical completion.

Please attach a Gantt chart or project timeline if available. Please estimate all Milestones.

For Stream 2 funded projects from previous years reapplying, some of these milestones could have already been completed. In that case, the milestones can be back-dated.

Anticipated completion date for Milestone 2 - Timeframe to Submit Project Plan *

Must be a date and no earlier than 30/9/2026.

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

Anticipated completion date for Milestone 3 - Completion of Schematic Design and Cost plan C2 *

Must be a date and no earlier than 30/9/2026.

Anticipated completion date for Milestone 4 - Completion of Detailed Design and Cost plan D *

Must be a date and no earlier than 30/9/2026.

Anticipated completion date for Milestone 5 - Construction contract (or purchase order) signed *

Must be a date and no earlier than 30/9/2026.

Anticipated completion date for Milestone 6 - Construction completed *

Must be a date and no earlier than 30/9/2026.

Anticipated completion date for Milestone 7 - Operations Commence *

Must be a date and no earlier than 30/9/2026.

Anticipated completion date for Milestone 8 - Submit final Project Completion report *

Must be a date and no earlier than 30/9/2026.

Assuming an indicative funding announcement by 30 September 2026, please provide a project schedule, listing estimated dates for key milestones such as procurement, contract award, practical completion.

Please attach a Gantt chart or project timeline if available. Please estimate all milestones.

For Stream 2 funded projects from previous years reapplying, some of these milestones could have already been completed. In that case, the milestones can be back-dated.

Anticipated completion date for Milestone 2 - Completion of procurement of scoped works *

Must be a date and no earlier than 30/9/2026.

Anticipated completion date for Milestone 3 - Executed contract/laying of purchase order and estimated date of delivery *

Must be a date and no earlier than 30/9/2026.

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

Anticipated completion date for Milestone 4 - Installation/Commissioning and fully operational *

Must be a date and no earlier than 30/9/2026.

Anticipated completion date for Milestone 5 - Final report and acquittal *

Must be a date and no earlier than 30/9/2026.

Assuming an indicative funding announcement by 30 September 2026, please provide a project schedule, listing estimated dates for key milestones such as procurement, contact award, practical completion.

Anticipated completion date for Milestone 1 - Executed contract/laying of purchase order (engagement of consultants) *

Must be a date and no earlier than 30/9/2026.

Anticipated completion date for Milestone 2 - Final report and acquittal *

Must be a date and no earlier than 30/9/2026.

Assessment Criteria

* indicates a required field

1: Improved patient experience quality of care *

Word count:

Must be no more than 250 words.

Provide a short description of how this proposal will result in improved patient experience & quality of care (eg. Improved access to care, Reduced incidence of patient harm, Increased patient satisfaction).

2: Increased system efficiency and enhanced service capacity *

Word count:

Must be no more than 250 words.

Provide a description of how this proposal will increase system efficiency (eg. Increased system throughput, Reduction in reactive maintenance expenditure).

3: Improved workforce experience and safety *

Word count:

Must be no more than 250 words.

Provide a description of how this proposal will improve workforce experience and safety (eg. Increased workforce satisfaction, Reduction in health sector job vacancies). Provide evidence of safety, quality, regulatory issues or standards non-compliance. Provide copies of PIN notices or adverse audits to support the case for the proposal, if applicable.

4: Improved regional communities and economies *

Word count:

Must be no more than 250 words.

Provide a description of how this proposal will strengthen regional communities and economies (eg. Decreased distance to treatment, Increased employment in health sector). Include supporting data to summarise current problems and predicted improvements where possible.

Responses to the following questions will not be scored but will form part of the formal assessment.

5: Project risks, mitigation and dependencies *

Word count:

Must be no more than 250 words.

Describe key risks and mitigation activities to ensure you meet project milestones and delivery, e.g., technical difficulties, procurement, local supply issues, consultants, etc. Please describe any key dependencies that may impact upon the delivery of this project. Attach additional documentation as required.

6: Governance and project oversight - Please describe the governance framework, including oversight bodies and meeting regimes that you will establish to support the delivery of the project. *

Word count:

Must be no more than 250 words.

This should include details of your Executive Steering Committee, Project Control Group, Working team, etc. to oversee proposed project development, implementation, monitoring and reporting.

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

7: Resourcing, roles and responsibilities - Have you assigned a person to manage this project? *

- Yes
- No

Please provide Full Name of the Project Lead *

This person will be the key contact and will be responsible to successfully deliver the project. Please note management fees (internal staff) cannot exceed 1.5% of the total build cost.

Email address of the Project Lead *

Must be an email address.

Please provide details of the Project Lead's experience similar to this proposal (e.g successful delivery of similar projects - details, dates, duration, budgets, scope, etc.) *

Word count:

Must be no more than 250 words.

What is your plan to manage this project? *

Supporting documentation

- Please attach Project Management Plan for projects above \$0.5m
- Supporting documents for assessment criteria 1-7

Refer to 'Submission Requirements' on the RHIF Guidelines [here](#).

Attach supporting documents *

Attach a file:

File names should clearly indicate criterion number and document title. Individual file size cannot be more than 25MB.

Aboriginal Community Controlled Health Organisation

* indicates a required field

Details of submission

Please explain the project as answers to the below questions. Once this application has been submitted, the RHIF Team will work with you to understand the project in more detail. Please reach out to us via rhif-applications.vhba@vida.vic.gov.au for any assistance.

Project Title *

What is the issue or problem, and why is funding required? *

Word count:

Must be no more than 50 words.

Succinct description to characterise the nature of the project. Examples: "Replace CT scanner to reduce waitlist times and enhance service delivery" // "Construct a new Community Health Centre to deliver primary care services, including GP, dental, physio, OT, and other Allied Health and Clinical services" // "Renovate reception and waiting area, and install swipe entry doors to improve safety and amenity for patients and staff" // "Upgrade of essential facilities and equipment including nurse call system, fire detection system, ICT server, floor coverings, patient beds, theatre suction system, and washer disinfectant."

What existing infrastructure will be fixed/repaired/replaced? *

Word count:

Must be no more than 150 words.

What will this funding be used for? Examples: roof repair, air-conditioning upgrade, consulting room upgrades, dental facility upgrade.

What is the risk and impact to the health service if funding is not provided? *

Word count:

Must be no more than 150 words.

Risk to or impact on clients, delivery of health services, delivery of quality care, accreditation, health and safety, staff wellbeing and/or productivity etc.

Application Priority *

Priority 1

Regional Health Infrastructure Fund 2025-26 Application Form

Form Preview

- Priority 2
- Existing Stream 2

Maximum of two applications per Health Service for RHIF 2025-26. Where Health Services have been amalgamated, the amalgamated Health Service may seek VHBA approval (via email to rhif-applications.vhba@vida.vic.gov.au) to submit more applications (in such case, the application priority should be included in the answer to the Expected Benefits question).

Project Costs

You may use the [Project Budget Summary](#) sheet to help calculate your estimated Project Cost (optional).

Total End Project Cost (excluding GST)

Must be a dollar amount.

What is the total estimated cost of your project? This includes but not limited to building costs, consultant costs, Authority costs, FFE etc.

Total amount of RHIF funding requested (excluding GST)

Must be a dollar amount.

Are you receiving funding from another source for this project?

- Yes
- No

Please identify source(s) of additional funding

Please specify amount of additional funding

Must be a dollar amount.

Project Timeline: Indicative dates for the delivery of the project (Assuming an indicative funding announcement by 30 September 2026)

Project Commencement Date *

Must be a date and no earlier than 30/9/2026.

Project Completion Date *

Must be a date and no earlier than 30/9/2026.
